

## PTZ Camera Family

VC-TR1	Auto-Tracking Camera
	<ul style="list-style-type: none"> <li>• Auto-Tracking, Smart Switching and Auto-Framing</li> <li>• Full HD 1080p 60fps with 20x Optical Zoom</li> <li>• HDMI, 3G-SDI, IP or USB Video Outputs</li> <li>• Supports PoE+ (Power over Ethernet)</li> </ul>
VC-TA50	AI Auto Tracking PTZ Camera
	<ul style="list-style-type: none"> <li>• AI-Powered Human Face Recognition</li> <li>• Three Tracking modes with auto framing</li> <li>• 1080P 60fps with 20x Optical Zoom</li> <li>• HDMI, SDI, and Ethernet simultaneous output</li> <li>• Support RTSP / RTMP / RTMPS / SRT</li> </ul>
VC-TR40	AI Auto-Tracking Camera
	<ul style="list-style-type: none"> <li>• AI-Powered Human Face Recognition</li> <li>• 3 Tracking modes and 2 Framing modes</li> <li>• 1080P 60fps with 20x Optical Zoom</li> <li>• HDMI, SDI, and Ethernet simultaneous output</li> <li>• Supports RTSP / RTMP / RTMPS / SRT streaming</li> </ul>
VC-A71PN	4K NDI® HX PTZ Camera
	<ul style="list-style-type: none"> <li>• 4K Ultra HD 60 fps</li> <li>• 30x Optical Zoom / 63° HFoV</li> <li>• NDI® HX Delivers High-quality Video with Ultra-low Latency</li> </ul>

\*Lumens offers a five-year warranty on all products.

## PTZ Camera Family

VC-A71P	4K IP PTZ Camera
	<ul style="list-style-type: none"> <li>• 4K Ultra HD 60 fps</li> <li>• 30x Optical Zoom / 63° HFoV</li> <li>• HDMI, 12G-SDI, USB3.0 and IP(PoE) Video Output</li> <li>• Smart AF – AI-Enabled Autofocus System</li> </ul>
VC-A61PN	4K NDI® HX PTZ Camera
 <p>NDI HX</p>	<ul style="list-style-type: none"> <li>• 4K Ultra HD 30 fps</li> <li>• 30x Optical Zoom / 68° HFoV</li> <li>• NDI® HX Delivers High-quality Video with Ultra-low Latency</li> </ul>
VC-A61P	UHD PTZ IP Camera
	<ul style="list-style-type: none"> <li>• 4K 30fps and 1080p 60fps Video Output</li> <li>• 30x Optical Zoom and 68 Degrees HFoV</li> <li>• IP(PoE), HDMI, and 3G-SDI (1080p) Synchronous Outputs</li> <li>• Smart AF – AI-Enabled Autofocus System</li> </ul>
VC-A51P	Full HD PTZ Camera
	<ul style="list-style-type: none"> <li>• Professional Sony image sensor</li> <li>• Supports 1080p at 60fps</li> <li>• Versatile 20x optical zoom</li> <li>• Delivers HD video output via Ethernet, HDMI, and 3G-SDI simultaneously</li> </ul>

\*Lumens offers a five-year warranty on all products.

## PTZ Camera Family

VC-A51PN	FHD NDI® HX PTZ Camera
	<ul style="list-style-type: none"> <li>• Professional Sony image sensor</li> <li>• Simultaneous NDI® HX, HDMI, and 3G-SDI video output</li> <li>• Supports 1080p at 60fps</li> <li>• Versatile 20x optical zoom</li> </ul>
VC-A52S	PTZ Video Camera
	<ul style="list-style-type: none"> <li>• Supports WDR to Provide a Vivid Image</li> <li>• Full HD 1080p with 60 fps</li> <li>• 20x Optical Zoom with 12x Digital Zoom</li> <li>• 3G-SDI, HDMI Synchronous Image Output</li> </ul>
VC-R30	Full HD IP PTZ Camera
	<ul style="list-style-type: none"> <li>• 1080p 60fps</li> <li>• Superb value for money</li> <li>• 12x zoom / 72.5° horizontal field of view</li> <li>• Simultaneous HDMI, 3G-SDI, USB, and IP streaming output</li> </ul>
VC-A71SN	4K IP PTZ Camera
	<ul style="list-style-type: none"> <li>• 4K 60 fps, 30x optical zoom, 1/1.8" Sensor</li> <li>• 12G-SDI, HDMI, Ethernet, USB3.0 output</li> <li>• NDI® HX3 / NDI® HX2 / RTSP / RTMP / RTMPS / MPEG- TS / SRT</li> <li>• FreeD protocol for live VR/AR production</li> <li>• BT.2020 color space support</li> </ul>

\*Lumens offers a five-year warranty on all products.

PTZ Camera Family

VC-A71P-HN

4K IP PTZ Camera

NDI|HX

- 4K UHD 60fps results from large CMOS sensor
- 30x optical zoom enhances details in the image
- Support Full NDI / NDI|HX / RTSP / RTMP / RTMPS / MPEG- TS / SRT
- FreeD protocol for live VR/AR production

## PTZ Camera Family

VS-KB30	Compact IP Camera Controller
	<ul style="list-style-type: none"> <li>• Joystick One-Handed PTZ Operation</li> <li>• One Button AF, AE, AWB or Manual Knob Control</li> <li>• Control 255 IP Cameras with 255 Presets and PoE Support</li> <li>• Supports NDI® HX, VISCA, Pelco P&amp;D; RS-232 / RS-422 / IP Control Interface</li> </ul>
VS-K20	PTZ Camera Controller
	<ul style="list-style-type: none"> <li>• Joystick for Pan/Tilt/Zoom and Focusing</li> <li>• Easy Operation of Versatile Camera Adjustments</li> <li>• RS-232 / RS-422 Long-Distance Control Communication</li> <li>• OLED Display and Auto Backlight Key</li> </ul>

## Media Processor Family

LC200	CaptureVision System
	<ul style="list-style-type: none"> <li>• 4-Channels 1080p 60fps Recording, Streaming, Video Mixing and Live Switching</li> <li>• 4 HDMI, IP Cameras, RTSP Streams, 4 Line In</li> <li>• Intuitive Plug &amp; Play GUI with Advanced Scenes Switch</li> <li>• Built-in Standard 1TB HDD storage, Optional 2TB HDD</li> <li>• Panopto and Crestron Integration</li> </ul>
LC100N	CaptureVision System
	<ul style="list-style-type: none"> <li>• 2-Channel Media Processing</li> <li>• Simultaneous Recording, Live Production and Streaming</li> <li>• NDI® HX, HDMI, SDI, RTSP and USB inputs</li> <li>• XLR Audio with phantom power</li> <li>• Built-in 2TB HDD storage</li> <li>• Supports for NAS and FTP storage</li> </ul>
LC100	CaptureVision System
	<ul style="list-style-type: none"> <li>• 2-Channel AV Source Processing</li> <li>• Simultaneous Recording and Streaming</li> <li>• 2 HDMI, 2 SDI, IP Camera, RTSP, USB source inputs</li> <li>• XLR with Phantom power supported</li> <li>• Built-in 2TB HDD storage*</li> </ul> <p>* Model without an HDD available in specific regions.</p>

## Media Processor Accessories

LC-RC01	Remote Control Panel
 <p>U.S. standard: LC-RC01U</p> <p>Europe standard: LC-RC01E</p>	<ul style="list-style-type: none"> <li>• Remote Control Recording, Streaming, and 3 Macro Settings of LC200 and LC100</li> <li>• Supports USB Flash Drive Back Up</li> <li>• Extend by Cat 5e/6 Cable Up to 98 ft (30m)</li> </ul>

\*Lumens offers a five-year warranty on all products.

## Box Camera Family

VC-BC701P	4K Box Camera
	<ul style="list-style-type: none"> <li>• 4K / 1080p 60fps</li> <li>• 30x Optical Zoom / 68° HFoV</li> <li>• HDMI, Ethernet (PoE) Output &amp; Line/MIC In</li> <li>• Supports HEVC / H.264 ; RTSP / RTMP / RTMPS / SRT</li> </ul>
VC-BC601P	1080p Box Camera
	<ul style="list-style-type: none"> <li>• 1080p 60fps</li> <li>• 30x Optical Zoom / 68° HFoV</li> <li>• HDMI and 3G-SDI, Ethernet (PoE) Output &amp; Line/MIC In</li> <li>• Supports HEVC / H.264 ; RTSP / RTMP / RTMPS / SRT</li> </ul>
VC-BC301P	4K IP POV Camera
	<ul style="list-style-type: none"> <li>• 4K 60fps</li> <li>• 12x Digital Zoom / 102° HFoV</li> <li>• HDMI 2.0, Ethernet (PoE), USB 3.0 Output &amp; Line/MIC In</li> <li>• Supports RTSP / RTMP / RTMPS / MPEG-TS / SRT</li> </ul>

\*Lumens offers a five-year warranty on all products.

## AVoIP Family

### OIP-D50C

### AVoIP Controller

- Centralized management of distributed encoders and decoders  
\*with OIP series
- Intuitive Web-based GUI for AV distribution and control
- Effortless sources switching and video wall deployment
- Supports PoE for easy installation

### OIP-D50E / OIP-D50D

### 1G 4K AVoIP Encoder / Decoder

- Delivers 4K@30Hz 4:4:4 pristine video quality with ultra-low latency
- Long-distance IP-based A/V transmission
- Video wall deployment with portrait and landscape orientation
- Intuitive Web-based GUI for AV distribution and control  
\*with OIP-D50C
- Supports PoE for easy installation
- Cost-effective A/V distribution solution

### OIP-D40E / OIP-D40D

### 1G AVoIP Encoder / Decoder

- Delivers 1080p pristine video quality with ultra-low latency
- Long-distance IP-based A/V transmission
- Video wall deployment with portrait and landscape orientation
- Intuitive Web-based GUI for AV distribution and control  
\*with OIP-D50C
- Entry-level A/V distribution solution

\*Lumens offers a five-year warranty on all products.

## Video Conference Cameras

VC-B30U	HD PTZ USB Camera
 <p>zoom Certified</p>	<ul style="list-style-type: none"> <li>• USB 3.0 and HDMI Video Output Interface</li> <li>• Compatible with Windows, Linux, MAC OSX, Chrome OS</li> <li>• 12x Optical Zoom</li> <li>• 128 Preset Positions</li> </ul>
MS-10	4K Video Soundbar
	<ul style="list-style-type: none"> <li>• 4K 30fps Ultra HD Image</li> <li>• 120° FoV and Auto-Framing</li> <li>• Five Beamforming Microphone Arrays Pick Up the Speaker's Voice</li> <li>• Bass Enhanced Speaker Makes the Voice Sound Clear</li> <li>• One USB Cable with Video, Audio, and Ethernet</li> </ul>
VC-B11U	4K USB Conference Camera
 <p>zoom Certified</p>	<ul style="list-style-type: none"> <li>• Clear Images with 4K Sensor, Fixed-lens and WDR</li> <li>• Effectively Capture Human Voice up to 5 Meters</li> <li>• Hands-free Auto Framing Captures Everyone in a Perfect View</li> <li>• Easily Control the Camera by a Mini Remote Control or Software</li> </ul>
VC-B2U	Full HD Webcam
	<ul style="list-style-type: none"> <li>• Full HD 1080p Premium Video Quality</li> <li>• Wide 90° Field of View can Capture People with Ease</li> <li>• Dual-microphone Captures Voice from Every Angle</li> <li>• USB Plug &amp; Play</li> </ul>

\*Lumens offers a five-year warranty on all products.

## Document Camera Family

DC-W80	4K Wireless Document Camera
	<ul style="list-style-type: none"> <li>• 2-in-1 Solution with Document Camera and Webcam</li> <li>• Cordless with Wi-Fi Connection for Placing Anywhere</li> <li>• Image Rotation 0° / 90° / 180° / 270° / Flip / Mirror</li> <li>• LED Light with Three Brightness Levels</li> </ul>
DC-F80	4K USB Document Camera
	<ul style="list-style-type: none"> <li>• 4K 30fps UHD</li> <li>• Gooseneck design for 2-in-1 Solution</li> <li>• Larger than A3 shooting area</li> <li>• Extreme close-up photography (2.4")</li> </ul>
DC172	4K Document Camera
	<ul style="list-style-type: none"> <li>• 4K, 1080p, 720P, and XGA Output Resolution</li> <li>• Rotate 90/180/270 Degrees, and Flip/Mirror</li> <li>• HDMI Output and Pass Through up to 4K Resolution</li> <li>• Image Annotation and Menu Operation by Mouse</li> </ul>
DC136	4K USB Document Camera
	<ul style="list-style-type: none"> <li>• 4K 30fps UHD</li> <li>• Gooseneck design for 2-in-1 Solution</li> <li>• Larger than A3 shooting area</li> <li>• Extreme close-up photography (2.4")</li> </ul>

\*Lumens offers a five-year warranty on all products.

## Document Camera Family

DC193	20x Portable Document Camera
	<ul style="list-style-type: none"> <li>• Full HD 1080p Output Resolution with 30fps</li> <li>• 20 Times Variable Zoom Ratio</li> <li>• VGA Input/Output, HDMI Input/Output</li> <li>• Built-in Microphone</li> </ul>
PC193	20x Portable Document Camera
	<ul style="list-style-type: none"> <li>• Full HD 1080p Output Resolution with 30fps</li> <li>• 20 Times Variable Zoom Ratio</li> <li>• VGA Input/Output, HDMI Input/Output</li> <li>• Built-in Microphone</li> </ul>
DC132U	HD/2K USB Document Camera
	<ul style="list-style-type: none"> <li>• Full HD 1080p Output Resolution with 30fps</li> <li>• USB Plug &amp; Play</li> <li>• 16x Total Zoom (Via Software)</li> <li>• Macro Shooting from 4cm</li> </ul>
DC-F20	HD/2K USB Document Camera
	<ul style="list-style-type: none"> <li>• Full HD 1080p Output Resolution with 30fps</li> <li>• USB Plug &amp; Play</li> <li>• Electronic pan, Tilt and Zoom up-to 16x Total Zoom (Via Software)</li> <li>• Built-in Microphone</li> </ul>

\*Lumens offers a five-year warranty on all products.

## Document Camera Family

PS753	4K Desktop Document Camera
	<ul style="list-style-type: none"> <li>• 4K Resolution with 300x zoom</li> <li>• HDMI (IN &amp; OUT), VGA, Ethernet (PoE+), and USB output</li> <li>• Wireless mouse for onboard annotation</li> <li>• Records to USB drives</li> </ul>
PS752	Desktop Document Camera
	<ul style="list-style-type: none"> <li>• Full HD 1080p Output Resolution with 30fps</li> <li>• VGA, HDMI Input and Output and Supports HDMI Pass-Through</li> <li>• 20 Times Variable Zoom Ratio</li> <li>• Built-in Microphone</li> </ul>
CL511	Ceiling Camera
	<ul style="list-style-type: none"> <li>• 4K UHD 30fps Output Resolution</li> <li>• 300x Total Zoom</li> <li>• Supports RTSP streaming and PoE+</li> <li>• Central Laser Marking Positioning</li> </ul>

\*Lumens offers a five-year warranty on all products.
